 WQMA: Water Quality Management Agency

WQMA Priority Projects for 2010

Action	Responsible Organizations	Watershed
Update the Cayuga County Water Quality Strategy.	WQMA	All
Continue to work to expand the Owasco Lake Watershed Inspector activities.	WQMA	Owasco Lake
Engage stakeholders and examine the next steps for projects identified in the “Restoration Feasibility Report for the Owasco Inlet and Owasco Flats Restoration Project” report.	WQMA	Owasco Lake

WQMA Priorities

Action	Responsible Organizations	Watershed
Follow drilling activities, options and effects on surface and ground water quality.	WQMA	All
Continue to focus on nutrient reduction in County waterbodies.	WQMA	All
Educate the public on water quality and stewardship.	WQMA	All
Continue to monitor waterbodies and coordinate with the Finger Lakes Institute and others.	WQMA, FLI	Owasco Lake

WQMA Long Term Initiatives

Action	Responsible Organizations	Watershed
Develop a monitoring framework for Cayuga County.	WQMA	All
Develop templates for stormwater and steep slope ordinances for Cayuga County municipalities and distribute to and educate planning boards.	WQMA	All
Initiate the reanalysis of Owasco Lake level and options available.	WQMA	Owasco Lake

WOMA Administration

Action	Responsible Organizations	Watershed
Administer WQMA including minutes, announcements, agendas, year-end reports, work plans, and other documents needed.	Planning	All
Maintain the WQMA website.	Planning	All
Write letters of support upon request.	Planning	All
Assist with Owasco Lake Day.	Planning, Parks, CCE	Owasco Lake

Finger Lakes Lake Ontario Watershed Protection Alliance (FOLLOWPA) Funded Projects

Program	Responsible Organizations	Watershed
Administer FOLLOWPA funds including contracts, requests, budgeting, narratives and attend meetings as requested.	Planning	All
Continue monitoring of Dutch Hollow Brook and Owasco Inlet.	Planning	Owasco Lake
Continue the nutrient monitoring and education program which includes Owasco Lake tributary nitrate and phosphorus monitoring and Duck Lake phosphorus monitoring. Also includes the P-Project phosphorus education program.	CCE, Planning, Duck	Owasco Lake, Duck Lake and others
Continue to have Cayuga County certified inspectors conduct septic system inspections as required in the Cayuga County Sanitary Code.	Health	All
Continue to remove nuisance and invasive aquatic vegetation by mechanical harvesting.	SWCD	All
Conduct education on invasive species county-wide. Conduct hand pulling of water chestnut on Sterling Creek, Cross Lake and other waterbodies in Cayuga County as needed.	CCE, Planning, Parks, SWCD	All

Agriculture

Action	Responsible Organizations	Watershed
Assist in the development and review of Comprehensive Nutrient Management Plans and Agricultural Environmental Management (AEM) Plans for farms.	SWCD	All
Promote and assist in the implementation of best management practices (BMPs).	SWCD	All
Encourage and assist farmers in participating in state and federal programs that relate to water quality and issues. Programs include PDR (purchase of development rights), Conservation Reserve Program (CRP), Conservation Reserve Enhancement Program (CREP), and GrazeNY.	SWCD, CCE, NRCS, CLWN, Planning,	All
Assist with hazardous waste and pesticide collection days for farms as funding is available.	Planning, CCE, SWCD	All
Continue with the development and use of technologies to deal with agricultural waste.	SWCD	All
Continue the Lake Friendly Farms program.	CLWN	Cayuga Lake

Education

Action	Responsible Organizations	Watershed
Provide education on water, water quality, watersheds, agriculture and related issues to schools, children and adults; including use of Project WET.	CCE, Planning	All

Exotic, Invasive, Introduced and Nuisance Species Management

Action	Responsible Organizations	Watershed
Continue existing County aquatic vegetation control program utilizing FLOWPA and County funds.	SWCD	All
Continue aquatic weed control program in Duck Lake including herbicide applications and use of harvester.	Duck	Duck Lake
Monitor, educate and attempt control of exotic, introduced and invasive species before they become established. Includes maintaining the Weeds Watch Out! Program website.	CCE, Parks, Planning, CLWN	All
Participate in the CNY Water Chestnut Task Force and Finger Lakes Partnership for Regional Invasive Species Management (PRISM).	CNY RPDB, CCE, CLWN	All

Forestry

Action	Responsible Organizations	Watershed
Provide forestry information and technical services for landowners.	CCE	All
Provide the Trade-A-Tree Program.	CCE, Planning, SWCD	All

Funding

Action	Responsible Organizations	Watershed
Search for funding for the actions listed in this work plan.	WQMA	All

Hazardous Materials

Action	Responsible Organizations	Watershed
Provide opportunities to reduce hazardous material in the County including household hazardous waste, tire, electronics and propane tank collections.	Planning, SWCD, CCE	All
Provide information and education on reducing the use of hazardous materials, and the proper use and disposal of household chemicals and other hazardous material.	CCE, SWCD	All
Provide education on petroleum spill prevention and what to do in the event of a spill or a leak, especially in regards to boats.	CCE, SWCD	All

Highway Maintenance

Action	Responsible Organizations	Watershed
Continue hydroseeding assistance programs, use of structural controls, and other methods to reduce roadbank erosion and other issues caused by highways.	SWCD	All
Provide bi-annual verbal report to the Cayuga County Highway Superintendents Association.	SWCD	All
Provide education to Highway Departments on stormwater issues and who to call if they find a problem.	SWCD, CNY RPDB	All

Land Use

Action	Responsible Organizations	Watershed
Educate planning boards about land use issues that affect water quality such as drainage, buffer zones, stormwater runoff, PDR, etc.	Planning, CNY RPDB	All
Provide assistance to towns and villages to design, adopt and/or implement standards and guidelines; provide model ordinances, regulations, standards, and guidelines that protect water quality.	Planning	All
Develop comprehensive plans for County municipalities.	Planning, CNY RPDB	All

Monitoring

Action	Responsible Organizations	Watershed
Continue water sampling of County Lakes with the Citizens Statewide Lake Assessment Program (CSLAP).	CLWN, Como, Duck	Cayuga Lake, Lake Como, Duck Lake
Continue monitoring of Dutch Hollow Brook and Owasco Inlet.	Planning	Owasco Lake
Continue Owasco Lake tributary nitrate and phosphorus monitoring and Duck Lake phosphorus monitoring.	CCE, Planning, Duck	Owasco Lake and Duck Lake
Continue work on the monitoring buoy for Owasco Lake with IAGT.	OWLA	Owasco Lake
Continue coliform monitoring of public bathing beaches.	Health	Owasco, Cayuga and Cross Lakes
Continue coliform monitoring of County lakes.	OWLA, Duck	Owasco Lake and Duck Lake

Nutrient Management

Action	Responsible Organizations	Watershed
Provide education on nutrient management and reduction with the P-Project education program and website, as well as other educational materials.	Planning, CCE, Health	All
Encourage the use of and assist in the development of nutrient management plans for golf courses, developments, parks, etc.	SWCD	All

Private and Municipal Wastewater Treatment

Action	Responsible Organizations	Watershed
Continue to implement the Cayuga County Sanitary Code and provide information to others as needed.	Health	All
Provide input to the NYSDEC regarding the on-going upgrade of the Groton Wastewater Treatment Plant and the development of Groton's new SPDES permit.	Health, Planning	Owasco Lake
Provide education on proper septic system and holding tank use and maintenance.	Health, CCE, SWCD	All

Solid Waste Issues

Action	Responsible Organizations	Watershed
Provide education on solid waste issues.	Planning, CCE	All
Conduct cleanup activities in the County.	CCE, Parks, SWCD, CLWN	All

Stormwater and Sediment Control

Action	Responsible Organizations	Watershed
Provide education and assistance on the Phase II Stormwater Rules & Regulations.	SWCD, Planning, CNY RPDB	All
Provide information and education on methods and ways to reduce the quantity and improve the quality of stormwater.	CCE, Planning, CNY RPDB	All
Continue the Cayuga County Stormwater Management Projects Inspection and Monitoring Program (use of hydrolab).	SWCD	All
Assist the NYSDEC with their inspection program.	SWCD	All

Streambank, Lakeshore and Stream Corridor Management

Action	Responsible Organizations	Watershed
Conduct streambank stabilization work on tributary/tributaries to Owasco Lake and other waterbodies in Cayuga County.	SWCD, Planning	All
Continue to participate in the future work and management of the Owasco Flats and Owasco Inlet area.	WQMA	Owasco Lake
Provide education and information for farmers and landowners about the importance of buffers adjacent to streambanks, lakeshore and other sensitive areas.	SWCD, NRCS, Planning	All

Waterborne Illness

Action	Responsible Organizations	Watershed
Continue to enforce the Owasco Lake Watershed Rules and Regulations.	Health	Owasco Lake
Continue coliform monitoring of public bathing beaches.	Health	Owasco, Cayuga, and Cross Lakes
Provide information as requested to residents using untreated lake water as a drinking water source and encourage them to install some type of treatment system to disinfect and filter their drinking water. Provide educational materials on waterborne illnesses.	Health	All
Parks will continue to monitor the activity of the geese. If they deem it necessary they will apply for a nuisance permit from the NYS DEC.	Parks	Owasco Lake
